- Back handspring, layout to two feet
- Standing layout step out
- Back pike
- Double turn

#### **Floor**

- 2 1/2 twist
- Front double twist, punch front

## **Coaches Comments:**

Clair is a fun athlete that is always happy and hard working in the gym. She has never suffered a major injury and has a petite and durable body. She is extremely quick twitched and doesn't really have any weak events though she excels on vault. Claire fits in well in any situation and quickly becomes the teams happy face. It's hard not to have fun when she's in the gym.
